PAPER PRESENTATION

GENERAL GUIDELINES:

- Paper presentation: The topics can be anything related to Civil engineering. It can be either about new technologies in the field or about structures of architectural and environmental importance, and methods/innovations that can replace existing flaws in Civil Engineering.
- An Abstract should be made on the topic chosen.
- Font size: Heading-14-16, Content – 12.
- Font name: Times New Roman, Arial, Calibri.
- The presentation should contain at least 12 slides. Add pictures, reference videos and animations related to the topic for conceptual explanation.
- You should present your PowerPoint presentation for a maximum of 5 minutes.
- A group of up to 3 members can make a team and present. It's your choice. (Either a single person, a grp of 2 or 3).
- Submit your papers to the given mail ID before the deadline.

VENUE: CIVIL CAD LAB (BLOCK -2)

LAST DATE OF ABSTRACT SUBMISSION: 27/08/2026

COORDINATORS

1. SHARAN S.M - 9788228227
2. BALA KUMAR - 9843718689

POSTER MAKING

GENERAL GUIDELINES:

ELIGIBILITY: The event is through **OFFLINE MODE** and open to individual participants only. (No teams allowed)

 **TOPIC SELECTION:** Choose topics related to Civil Engineering focusing on

1. Smart Infrastructure
2. Zero-Energy green building
3. Artificial Aggregates or Building materials
4. Seismic isolation Structures
- 5.CO2 Conquering

 **POSTER FORMAT AND GUIDELINES:**

- Posters can be created using Canva or PowerPoint.
- The poster should be self- explanatory without excessive text.
- A clear and structured explanation of the topic is expected.
- Layout should be visually appealing with a balanced mix of text, images and infographics.
- Valuation is based on the poster visualization and shortlisted by judges.
- Shortlisted candidates were approached by the Event Coordinator for Presentation.

 EVALUATION CRITERIA:

- Content must be clear and original.
- Visual appeal and layout
- Presentation skills
- Relevance and impact of the above topic

VENUE: 1ST YEAR M.E.

2. UDHAY KIRAN – 9347172800

TECHNICAL QUIZ

Mode: Offline (Through kahoot)

GUIDELINES:

- Two or three candidates per team are allowed (via mobile)

ROUND 1: ELIMINATION ROUND

- 15 No.of MCQs
- Duration: 10 Minutes

Round – 2: FINAL ROUND

- 10 No.of MCQs
- Duration: 10 Minutes

VENUE: Drawing Hall

COORDINATORS:

1. **KAVI VARMAN - 6381912499**
2. **SUGAN - 8825431080**

CODE CRACKING

GENERAL GUIDELINES:

1. Code cracking questions are asked from IS 456 & IS 800 Code books.
2. Code books will be provided for each team.
3. Each team contains two or three candidates per team
4. Questions are from IS Code values or formulas and Concepts contained.
5. This event will be an MCQ-type test with 20 No. of Questions. Each team must finish within 15 minutes
6. Use of mobile phones, internet access, smart watches, or any external reference materials is strictly prohibited

VENUE: SOM LAB

2. **PRIYANKA – 9600462511**

NON-TECHNICAL EVENT

CONNECTION (OFFLINE)

Connection is a team event that challenges players to identify civil engineering-related terms from the given pictures.

GENERAL GUIDELINE

1. Each team must consist of 3 to 4 members.
2. The team should download the buzzer app in their phone.
3. Teams should answer immediately after pressing the buzzer.
4. Only one chance for a team to answer their question.
5. If the answer is incorrect, the chance will be passed to the next team who secondly press the buzzer.
6. The examiner decision will be final.
7. Participants are expected to maintain discipline throughout the event.

2. **KOWSALYA - 7871658857**

PHOTOGRAPHY CONTEST (ONLINE)

THEME:

- Heros in Hard Hats
- Messy Lab
- Green Infrastructure
- Geometrics of Architecture
- Emerging Engineering on Field

GENERAL GUIDELINES:

1. Participants should take pictures with a mobile phone or camera
2. No filters should be used.
3. Don't upload photos downloaded from CHATGPT, GEMINI, GOOGLE.
4. **LAST DATE FOR SUBMISSION – 27 AUGUST 2026**

REMEMBER ABILITY

Test to be designed to evaluate the participants observation, memory, technical knowledge, concentration and quick recall of civil engineering concepts, materials, equipments , structures and site-related informations

Eligibility :

Individual or team participation is allowed (Each Team maximum 2 Candidates)

Guidelines :

- 1.Observe & Remember:Images/Items/diagrams for fixed time period
- 2.Technical recall for Observation time 30-60 seconds per visual set
- 3.Evaluation based on the Timing of Recall,No.of Items Recalled, Identification, Accuracy and Quick reaction

COORDINATORS :

- 1.MANNUSHREE – 8438919386
- 2.GOPIKA SURUTHI – 6374233431
